EDUCATION

CVM University

Bachelors of Engineering in Computer Engineering, 9.15 CGPA

VV Nagar, Gujarat, India

2021 – 2025

WORK EXPERIENCE

Jr. Software Engineer

Adrta Technologies Pvt. Ltd.

Sept 2025 – Present

Ahmedabad, Gujarat

- Owned end-to-end development of Pharma Column Management and Standard Management modules, covering database design, backend logic, and frontend implementation.
- Designed relational schemas and implemented complete data flows to support pharma manufacturing use-cases with strong validation and data consistency.
- Built a centralized error logging system to track and debug application issues, later reused across multiple products within the organization.
- Investigated and resolved edge-case issues in SSO flows, improving authentication reliability and access control across the software suite.

Software Engineer Intern

System Level Solutions India Pvt. Ltd.

Jan 2025 – June 2025

Anand, Gujarat

- Developed reusable Angular components integrated with ASP.NET Core APIs to support dynamic workflows, reducing code duplication and improving maintainability.
- Designed database schemas and backend flows for device and supplier onboarding, enabling reliable data handling within Adapter HES processes.
- Built authentication and configuration APIs and integrated a chatbot system for automated complaint handling.

PROJECTS

PMS (Project-Based Task Management System) - DEMO VIDEO

Tech Stack: Angular, ASP.NET Core, Redis, MQTT, PostgreSQL

- Built a project and task management system with role-based access control for managing multiple users and workflows.
- Implemented real-time task updates using MQTT and Redis, enabling live synchronization across users.
- Developed a dashboard for tracking project progress and task activity.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, C#

Frameworks: Angular, ASP.NET Core, Node.js, Express

Databases: SQL Server, PostgreSQL, MongoDB, Redis

Tools: Git, GitHub, Docker, Postman

Concepts: REST APIs, JWT Authentication, Microservices Basics, MQTT
